👤 Sales User Guide

1. Login

- Log in using your Sales account.
- You will be directed to your personal Sales Dashboard.

---

2. View Your Projects

- Each project is represented as a “horse.”
- Projects are displayed under different sales stages:

1. Lead
2. Qualification
3. Solution Design
4. Proposal
5. Negotiation
6. Contract Review
7. Closing

---

3. Move a Project to the Next Stage

- Click the arrow button on the project card.
- The project will move to the next stage.
- The summary numbers at the top update automatically.

---

4. Delete a Project (Soft Delete)

- Click the ❌ on the top-right of a project card.
- Confirm deletion.
- The project will move to the Recycle Bin.
- It is not permanently deleted.

---

5. Recycle Bin

- Click ♻ Recycle Bin in the top-right corner.
- You can:
  - Restore the project
  - View the deletion timestamp
